Sir:

Pursuant to 37 C.F.R. § 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. The listing of a reference herein is not an admission that the reference is prior art or that the reference is material to patentability.

This information is being filed before the mailing date of a first Office Action on the merits. No certification or fee is required.

Some of the references listed have been cited in counterpart foreign applications. An English language copy of the International Search Report (for application no. PCT/EP2003/014605) is attached for the Examiner's information. The search report identifies the relevance of the cited references.

Please note that the following foreign language references have an English language counterpart, which is presumed to have corresponding subject matter as the foreign language references and is listed on the attached Form PTO-1449:

U.S. Patent Publication No. 2003/0067539A1 is an English language counterpart to the following references: 1) DE 100 53 867 A1, 2) DE 100 03 326 C2, and 3) DE 201 21 318 U1;

U.S. Patent No. 5,718 497 is an English language counterpart to EP 0 544 332 A1; and

U.S. Patent Publication No. 2005/0233788 is an English language counterpart to WO 2004/023348 A1.

Also, please note that one of the foreign language references (DE 100 15 796 A1) does not have English language counterpart but is cited in the International Search Report. The concise relevance of this reference is provided by said search report.

This application was filed after June 30, 2003; therefore, copies of cited U.S. patents and U.S. published applications are not included.

Respectfully submitted,

Douglas J. Christensen
